Any more questions? Just  
contact us, we will be happy  
to help:

Our volunteers carry out the energy-saving check.  
They have had more than 100 hours of training to  
become experts on the topic and will be delighted  
to show you that saving energy is easy and worth  
the effort.

Energy-saving check  
It's simple; fast;  
efficient! Count me in!

Free of charge, neutral  
and independent!

## My energy-saving check

## My path to lower bills:

- ✓ I will be consulted at home and **free of charge**.
- ✓ I will immediately save energy and **money**.
- ✓ I will be given a **personal savings-plan** that will give me details of my energy saving potential without affecting the quality of my life.
- ✓ I will receive great **energy-saving products** worth up to 70 Euros, for example energy-saving lightbulbs or water-saving shower-heads.
- ✓ My electricity consumption will fall and I will get to keep more money in my pocket.

Make an appointment.

Energy-saving check at home.  
Competent, reliable,  
confidential.

A few days later: The energy saving products will be installed free of charge.

Reduce your electricity bill with your personal energy-savings plan.
